SADDLE TRIAL POLICY: Sidesaddles are sent out on trial after full payment is received and cleared; purchaser to pay shipping and handling, and insurance. I am happy to work out a reasonable trial period with you--usually 3 to 7 days. In the event of a return, purchaser again pays shipping cost and insurance. When saddle is received here in the same condition in which it was sent out, the purchase price is then refunded.

TRADE UP POLICY: Sidesaddles purchased from Sidesaddle Heaven may be traded towards a saddle of higher price at a later date, provided the trade-up is one I own and not one here on consignment. Adjustments may be made for condition of the saddle being traded in.

PLEASE REMEMBER: Horseback riding is an inherent risk activity. Check all tack for safety before each ride, following industry guidelines. Due to the nature of vintage saddles, the unsupervised uses to which they may be put, and the unpredictable nature of horses, warranty is neither expressed nor implied. Purchase constitutes agreement to these terms.
